B.A. Degree in General Studies

The Bachelor of Arts Degree Program in General Studies provides students with strong preparation for employment and graduate study. The curriculum offers a general education foundation with emphasis in the areas of the Humanities, Social Sciences and Natural Sciences. In addition, students are provided with ample exposure to business concepts through course work in Economics, Business Organization and Management. The Bachelor of Arts Degree Program in General Studies accommodates students interested in a flexible academic curriculum which will introduce them to a variety of subjects. Students who complete the degree program in General Studies will find their written, verbal, analytical and research skills greatly enhanced.

Students planning for academic work beyond the baccalaureate level will find that the Bachelor of Arts Degree Program in General Studies provides them with strong preparation for graduate study.

The Bachelor of Arts Degree Program in General Studies is an excellent academic option for military and civilian students who have attended other colleges and universities, and who have accumulated a number of credit hours in a non-specific major. Such students may benefit by transferring these hours into the General Studies program.
