Online Accelerated B.S. in Criminal Justice

Program Overview

The Online Accelerated Criminal Justice Degree Program is designed to prepare students to actively participate in the development of knowledge in the area of criminal justice, particularly in the areas of corrections and law enforcement practices/administration. The program is especially beneficial for students with an interest in a criminal justice occupation who seek to increase their professional knowledge and skills. The program is based on a multi-disciplinary study of the behavioral sciences as they apply to specialized areas.
